

Subaru Loves Pets[®]

Dog and Cat Microchipping Event

Saturday
October 12th
9:00am - 1:00pm

Nearly 6.3 million companion animals enter shelters nationwide every year, where many live day after day without the love of a family or a home. In support of the **Subaru Loves Pets** initiative, Frederick Subaru will be offering **FREE microchipping** for your pets at our dealership courtesy of the Frederick County Adoption Center. Stop by our dealership throughout the event with your furry friend.

Community Driven, Fueling Adventure.
